

Workshop Activity: Strategies for Inclusive Teaching

1. During the workshop: Please take 1-2 minutes to record an idea, insight, or question that you want to remember and use in your teaching.

2. After the workshop: Review notes, handouts, and references. Use the chart below to reflect on and develop this idea, insight, or question (or a strategy from the handout or provided references).

	Tip or Strategy	How do I currently try this in my teaching?	How could I do this in my teaching in the future?
